Hi Rick

That would be fine with me. I believe will be OK with Tom.

Unless Tom says otherwise , this is a yes.

Best wishes

Amelia

Amelia—

I'm sorry to have to ask this, but could we possibly reschedule our discussion next week? I've just learned that I have to travel downtown for a meeting with my senior leadership.

Would 4:30pm on the 28<sup>th</sup> work for you?

Thank you Rick.

James won't be joining us now, he has to be out of town. But Tom and I will be there.

Tom is in DC that week.

Have a good weekend

Amelia--

I would be happy to meet with all of you together. If February 28th doesn't work, let's look for another time.

Dear Rick,

Thanks very much for giving me some time for an introductory meeting with you.

Tom Marvin, our new Director of US Federal Affairs, has also requested a meeting with you in the near future. Perhaps we can combine the two? With James also?

James and I report to Tom. We will all be DC based once Tom moves with his family back to this area from St Louis.

Have a great weekend, best wishes,

Amelia
